Cancer Registry (HIM Dept.) coordinates all Cancer Program components ensuring compliance with national standards and provides data on cancer patients at SAMC – Linda Rang is the Coordinator for Cancer Registry and her number is 816-7408.

The Cancer Committee provides multidisciplinary leadership insuring excellence in cancer care for our patients through quality monitoring and improvement studies.

Two Tumor Boards, held every first and third Monday at 12:30 pm in the Physician Conference Room next to the Doctors Dining Room, provide discussion/presentation of treatment options for current cancer cases. (Approved for one Category I credit by AMA).

Regarding documentation responsibilities, please be aware that Pink AJCC Staging forms on charts must be completed by the Managing Physician/Surgeon on **ALL** new cancer cases. The Medical record is delinquent until the staging form is completed and signed.
