It's important to us for our new medical staff members to be able to start work at South Austin Medical Center immediately after being approved. We understand your need to have information immediately at hand to help make it a trouble-free experience. The information contained in this presentation as well as in your Welcome Kit will assist in this goal.

If you still have questions after viewing this presentation and reviewing the information provided in your Welcome Kit, please contact the Medical Staff Office or Administration. We will be happy to assist you.
