South Austin Hospital

HOSPITAL TELEPHONE INFORMATION

DIGITAL PAGER INSTRUCTIONS (*Pager #s are listed in parentheses after the individuals' name.*)

Slowly dial the pager number. You will hear a ring followed by a tone.

After the tone, slowly dial the number that you want the person to call, followed by the "#" sign.

Be sure to enter the entire 7-digit number.

Hang up.

If the person does not respond to the page in five minutes, please try a second time.

The hospital operator is available for assistance if needed.

For all overhead announcements, call the hospital operator

IN HOUSE DIALING INFORMATION

For all hospital extensions, simply dial the last four digits of the phone number or contact hospital operator.

DIRECT DIAL INSTRUCTIONS

816 is the PRE-FIX for almost all hospital extensions. There are a few exceptions as noted in directory.
